ALL SAINTS' CHURCH GROUNDS MAINTENANCE

Many thanks to the 15 people who helped on 1 July by gardening & baking. Laurel bushes were cut down and prepared for shredding or to create log piles for wildlife shelter. David rescued a hedgehog from the gutter around the church walls. It would not have been able to escape otherwise, so if anyone has woodwork skills to offer, some small ramps would be great. Please get in touch if you could do this. Shrubs along the west end of the church are growing well again after pruning. We have plans to restore more areas and would love to have feedback or suggestions. John & Liz Caley 421746

THANKYOU

Myself and my family would like to thank everyone for their prayers, kind thoughts and cards during this difficult time. I have very much appreciated all the warm words of comfort and help that people have given me over the last few weeks.

Thank you, Val Woodyatt
