Guide to Church life

All Saints' Church, South Cave is an Ecumenical partnership between the Anglican and Methodists. We worship as one congregation and share a common vision to be a "welcoming, caring, celebrating worshipping, proclaiming and growing Christian presence in the village and in the world."

Our main worship time is 10.45 a.m. on Sunday mornings. We have a variety of services and always aim to cater for children either through their own age related groups or in All Age Worship.

We learn together from God's word, we encourage one another in our faith and in living out the Christian life day to day. As a community in this place we look for God's specific will for us and expect to face the cost of change. We express our welcome by making the church building warm, with comfortable seating and where people can hear and see what is happening. In the variety and reality of our worship everyone can feel that they can meet with The Lord our God in ways that connect with them.

Details of many other aspects of church life are included in this pack. It is produced in a loose leaf format to make it easier to keep up to date. If you are interested in any of these activities, please use the contact point on the appropriate sheet to find out how you can join in.
